

How to Connect to the EVC Wireless Network using a Windows 10 Computer

You will need to use your **email address** as **username** and **email password** to login to the EVC wireless network, otherwise, you may access the EVC guest wireless. Your email address, username and password is use for Office 365 and other college applications.

To Access EVC or EVC Guest Wireless:

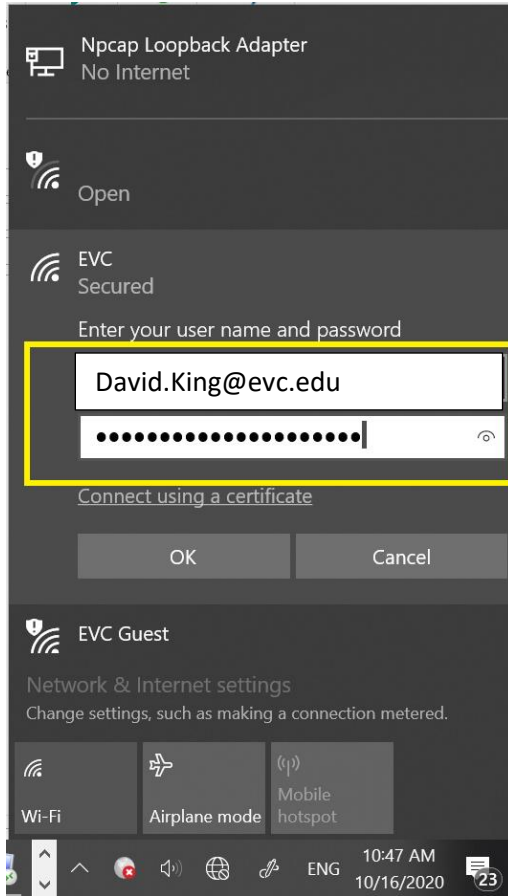

1. Select the **Network icon** on the taskbar (lower right of screen). The icon that appears depends on your current connection state. If you do not see one of the network icons (or a similar one) shown in the following image, select the Up arrow to see if it appears there.

2. Choose **EVC** and **Connect** to login. If you are not able to use your email address account, you may select **EVC Guest** to self-register.

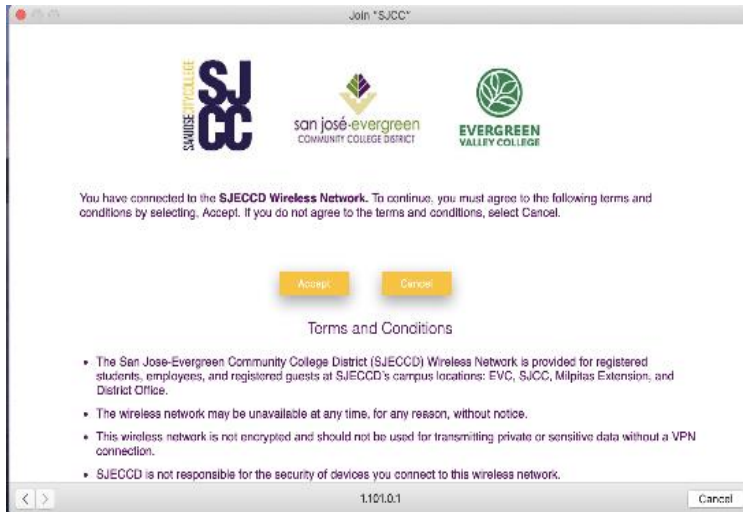

3. Type your **email address**, username and password, then select **OK**. If you are not able to use your **email address**, select, **EVC Guest** and self-register.

4. The following window will appear. Click **Connect**.

5. Your browser will redirect to our Terms and Conditions. If necessary, scroll down to read the Terms and Conditions. If you agree, click the **Accept** button.

6. You are now connected to the SJECCD/EVC/SJCC wireless network! Click **Done** to close the windows.
