How to Setup the Google Authenticator App (for Android Device)

1. Download the Google Authenticator app from the Google Play Store.

2. Open the app. You'll see a cloud icon with a line through it, indicating you're using it without a Google account

3. Tap "Add a code."

Connecting Google Authenticator to Your My App Security Info:

- 1. Open a web browser and go to https://sso.sjeccd.edu.
- 2. On the dashboard, locate the Office 365 icon and click it.
